

LOGO POLICY

Third party logos used on our Payment page are for descriptive purposes only. It is important for you to understand how your payment(s) is/are handled. InMotionHosting.com provides the hosting for our website, as well as the Secure Socket Layer Certificate (SSL). SSL encrypts the information that you provide when you make a payment. Authorize.net captures said payment and then PNC via First Data nka Fiserv processes it. If any of the aforementioned third parties do not wish to have their logo displayed on our Payment page, please feel free to email us at logo@mygmpros.com. It will be removed.
